🚗 Driving licence

## Hobbies

Basketball
Movies / Series
Video games
Music
Lego

## Languages

🇫🇷 French
Native language

🇬🇧 English
C1+ level
(Linguaskill)

🇪🇸 Spanish
A2 level (school)

## PROFESSIONAL EXPERIENCES

| | |
|---|---|
| Sept-Nov.2022<br>Abu Dhabi, United Arabs Emirates | **Engineering intership**<br>SCAI<br>Generation of underground data with GAN |
| Sept.2020-Feb.2023<br>Pau, France | **Apprentice engineer**<br>TotalEnergies<br>Projects :<br>• Prediction of biogás production and wind turbine power with time series<br>• Automation of measures from images with convolutional neural networks<br>• Prediction of geophysical data properties with Machine Learning and GUI deployment |
| July.2018 and July.2020<br>Pau, France | **Intern**<br>BNP Paribas<br>Customer reception |

## EDUCATION

| | |
|---|---|
| 2019-2023<br>Toulouse, France | **Engineer training in IT and Telecommunications**<br>ENSEEIHT<br>Domains studied : Deep Learning (CV, NLP, RL), HPC, graph theory, cloud |
| 2020-2023<br>Toulouse, France | **Engineer training in Applied mathematics**<br>INSA<br>Domains studied: statistics, probabilities, optimization, data analysis |
| 2016-2019<br>Pau, France | **Higher School Preparatory Class**<br>Louis Barthou High School<br>Branch : PCSI - PSI |
| 2016<br>Pau, France | **Scientific Baccalaureate**<br>Saint Dominique High School<br>Mention : Good |

## IT SKILLS

| | |
|---|---|
| Python | Good knowledge of the language and object programming<br>Good knowledge of Pytorch, Sklearn, Tensorflow, Notebooks |
| R/Matlab /Julia | Basic knowledge of the languages |
| Linux | Basic knowledge of the OS |
| Docker | Basic knowledge of the tool |
